Self-Sufficiency at The Barn At Berryfields

Every single one of our dishes contains ingredients that have been grown, reared and handmade here on our farm. Fresh and sustainable food from our farm straight to your table.

Our Farm & Butchery

As an independent, family business we have farmed at Berryfields for 4 generations. Our small herd of RSPCA Assured Berryfields Suffolk Red pigs and Pedigree grass-fed Hereford cattle are reared right here on our farm – you may be able to spot some of them out of the window! All our home-reared produce, as well as lamb and poultry sourced from less than 5 miles away, is skilfully butchered downstairs in our award-winning butchery by our Master Butchers.

Our Bakery

In collaboration with our Chef Brigade our Master Bakers produce and bake by hand our bread, pastries and sweets in our artisan bakery downstairs. From savoury favourites such as speciality breads and ever popular brioche burger buns, through to our desserts menu!

Our Kitchen Garden

As the seasons allow, we grow fruit, vegetables and salad items in our 2-acre Berryfields Kitchen Garden and 1800sqft polytunnel. Think multiple varieties of herbs and edible flowers, little gem lettuce, strawberries, tomatoes, runner beans, garlic, chillies and every root vegetable imaginable. Some also end up garnishing our cocktails!

Our Chef Brigade

Once our Farm & Butchery have reared and prepared the meat, our Bakers have produced the bread and confectionery, and our Kitchen Garden has grown the fruit, veg and salad, our Chef Brigade takes elements of each area to create exquisite dishes. They then hand-make every salsa, jus, dressing, sauce, purée and multiple accompaniments, and use varied cooking methods, like fermenting, pickling and slow-cooking to create technically skilled, comprehensive fresh food.

Fresh food with a difference, only at The Barn.
