

YOUR SPECIAL OCCASION

All of life's milestones are an occasion to be celebrated. Birthdays, anniversaries, weddings, engagement parties, baby showers, christenings...

Here at The Barn, you name it, we celebrate it!

Set in Warwickshire countryside enjoying stunning views over rolling hills, we offer an idyllic rural setting, with excellent network links and ample private parking.

Whether you wish to host a formal or informal celebration, we have menus available to cater for your every need. Our fully air conditioned private events room, The Loft, comes with dedicated staffing and is perfect for up to 60 standing guests for drinks and buffet style dining, or up to 47 guests seated for a two or three course dining experience with other bespoke options available including Wedding packages.

The Loft private events room has been designed to make you and your guests feel a part of the restaurant with large glass folding doors that also provide the intimacy of your own private room. Our feature fireplace, timber beams and luxurious seating create a stylish and sophisticated environment for you to relax or party in.

The room enjoys a dedicated Sonos sound system able to play any of your Spotify or Apple music playlists, as well as a projector to share those photo or video moments. Our events team are here to guide you through the planning, preparation and delivery of your event.

The Loft

We believe meetings and private events work so much better in a great venue and a great location.

Set on a working farm in the idyllic Warwickshire countryside with excellent network links, The Loft at The Barn offers the perfect setting.

Room Design: Multiple table layouts available from U-shape, boardroom to theatre style.

The Room
